NSBE Achieving Excellence Scholarship
(NSBE AE Scholarship)

The NSBE Alumni Extension is the professional sector of NSBE and its purpose is to stimulate scholastic achievement and enthusiasm in the Black engineering community. The Achieving Excellence Award is the premiere National Society of Black Engineers (NSBE) Alumni Extension National scholarship benefiting pre-college students who have an interest and involvement in Science, and Technology, Engineering, and Math (STEM). The purpose of this scholarship is to promote and acknowledge academic excellence, community service, and participation within NSBE Jr. Programming which are key attributes that promote the NSBE Mission. Award winning high school students will receive a financial award from NSBE AE as specified in the current year.

Students can apply for the award on line on IMPAK, www.nsbe.org, starting August 1, 2011. Applications will be accepted through October 31, 2011 and winners will be notified @ National Convention. The links to these awards are provided below. The requirements for student participation follow.

Students must:
- Be paid NSBE Jr. members (6th through 12th grades) in good standing;
- Complete an application in IMPAK;
- Have 1st and 3rd quarter GPA’s confirmed in membership profile on line;
- Participate in a NSBE PCI program (ex: Try-Math-a-Lon, Science Fair) or an approved science/engineering program (subject to approval);
- Have verifiable volunteer service hours (subject to approval).

Official transcripts must be submitted to NSBE World Headquarters for GPA confirmation. Volunteer service verification letters for students also needs to be submitted to NSBE World Headquarters. These documents should be received at the address listed below on or before given deadline dates. Materials received after the deadline dates will not be accepted and the applications of these individuals will be considered incomplete. It is recommended that time in the postal system be considered in addition to processing time when requesting these items.

NSBE World Headquarters
Attn: PCI/NSBE AE
205 Daingerfield Road
Alexandria, Virginia 22314

Student applications will be judged on Scholastic Achievement, Community Service, and participation in an approved PCI or science based program. Incomplete applications will not be judged. Applications not completed by December 15, 2011 will not be judged. Failure to submit official transcripts and volunteer service verification letters will result in disqualification.
NATIONAL AWARD

The scholarship recipients will be announced prior to and during national convention. Scholarship will be mailed to given address on file. Please consult your Regional Alumni PCI Chair for more information.

DEADLINES:

2. Community Service Log: March 4th 2012
3. PCI Program (required to participate in one program @ respective FRC)

Aptitude Survey

Transcript submitted to WHQ? yes no
My math ability is: (Circle only one) 
1 2 3 4 5
Poor Exceptional

My feeling about math is: (Circle only one) 
1 2 3 4 5
I hate it I love it

The likelihood that I will pursue a career in some sort of Science, Technology, Engineering, or Math (STEM) related field is: (Circle only one) 
1 2 3 4 5 (1 = no chance, 5= definitely will)

Have you taken the ACT/SAT? Yes or No
If so, what was the score? ACT_______SAT Writing_______ Math _______ Verbal _______

When do you plan to take the ACT/SAT? Please specify month and year. _______
Do you plan to go to college? (If yes, when and where)_____________________________

What are your goals for participating in NSBE?
