## Introduction from the Regional VI Parliamentarian

Greetings Potential NSBE Leader,

I first would like to congratulate and commend you on your pursuit to become a member of the Regional VI Executive Board of the National Society of Black Engineers! The Regional Executive Board (REB), is responsible for setting the direction and policies for the organization, overseeing the region, and monitoring results to ensure NSBE as an organization is achieving its mission. Serving the membership as a member of the REB will both challenge you and broaden your horizons. Please ensure you fully understand the commitment ahead of you and seek advice in preparation for this level of leadership; you will be responsible for the development of thousands of members and a six figure annual budget. More importantly, a commitment to lead is a commitment to serve our members, and build upon the legacy of other servant leaders.

To ensure you are prepared for your future leadership role, we have developed a Regional Candidate certification process, the requirements of which are outlined in this handbook. All REB Declaration of Intent applications will be reviewed on a rolling basis. Please contact the Regional Parliamentarian to determine the status of your application. I commend your initiative to further our mission by seeking a position at the highest level of this organization and wish you good luck in your pursuit of a REB office. Feel free to contact me if you have any questions or concerns.

With NSBE Love,

*Dennis Kibe*
