Sponsor a NSBE Scholarship

A $5,000 scholarship increases the likelihood of an African-American student’s graduation by 8 percentage points.*

Thank you for your interest in the National Society of Black Engineers’ (NSBE’s) Corporate Scholarship Program. Through this program, your organization is able to make a lasting impact on the collegiate membership of NSBE while promoting the importance of diversity in the workplace and academic excellence on the university campus and beyond.

The Corporate Relations Team at NSBE World Headquarters will work with you to personalize your scholarship package to meet your needs. As a NSBE Corporate Scholarship partner, you may:

• Determine the scholarship eligibility criteria, such as GPA, major, region, classification, attendance at a particular college, etc.
• Review the application and choose the recipient
• Choose to require an internship with the scholarship
• Determine the dollar amount and quantity of the scholarship(s)
• Complete the NSBE Corporate Scholarship Criteria Form, before the beginning of a cycle

To apply, sponsors must complete the NSBE Scholarship Criteria Form for the spring cycle by March 1 and the fall cycle by Nov. 1. Contact NSBE Corporate Relations to purchase a scholarship today.

Minimum scholarship award is $5,000. A 10% administrative fee will be added to the cost of ALL scholarship sponsorships.
