## *PROPOSAL & REVIEW FORMS*

Last Revised: October 3rd, 2011

## TORCH Program Proposal Form

### Purpose

The purpose of this form is to outline the required format for all proposals (funded and non-funded) submitted for review to the National Programs Fund. This form is only available for submission through IMPak. ***Any proposal not submitted in this format will not be evaluated.*** Upon review by the National Programs Committee, the proposal author will be notified of the decision of funding with an explanation from the National Programs Chair.

### 1.0 Chapter Name

List the NSBE Chapter(s) coordinating the proposed program. Please include the chapter address and the name, telephone number and email address of the chapter president. In the event of a collaboration the contact information is only required for the lead chapter.

### 1.1 Proposal Author and Key Contact(s)

Identify the chapter's primary and secondary point-of-contact for the program. Provide daytime and evening telephone numbers and email addresses for each.

### 1.2 Official Name of the Program

Provide the official name of the program.

### 1.3 TORCH Category

Provide the category of TORCH programming that the proposed program fits into, if the proposal covers a multifaceted program that covers multiple categories, list all. See the TORCH Handbook for definitions of the categories and alignment with the TORCH objectives.

### 1.4 Program Dates

List the proposed or actual start date and end date of the program. If this is a recurring program (i.e. hosted in previous years), identify the semester(s) and year(s) that it has occurred.

### 1.5 Membership Sector(s) Involved

This section outlines the individuals involved and their respective roles in the program planning and implementation. This list may include NSBE Jr., Collegiate or Alumni members as well as members of groups external to NSBE. This list will generally be restricted to NSBE members and other members of the university or engineering community, but may also include a community partner.

### 1.6 Community Demographic Impacted

This section outlines the individual community members involved. This includes the participants, community partners, and direct or indirect benefactors. These individuals must be outside of both the NSBE and University communities.

### 1.7 Program Objectives and Goals

This section should include a brief description, purpose and a prioritized list of objectives and goals for this program. This section should explain the program's anticipated impact on the community, benefits to its participants and how this program directly fulfills the TORCH objectives.

### 1.8 Total Expense of Program

Enter the total estimated expenses for the proposed program.

### 1.9 Amount of Funding Requested

Enter the total amount of funding requested for the proposed program.

### 1.10 Program Budget (Upload as Attachment)

This document provides a detailed account of anticipated or actual budget expenses, income and in-kind (no cost) support. The budget should:

- Include sections for expenses and income (i.e. donations, fund-raisers, etc.) with detailed line items for each (i.e. rental fees, supplies, advertising materials, etc.).
- Indicate how requested funds from NSBE will be utilized. (i.e. To which expenses will the funds requested be applied?)
- List any in-kind resources that will be utilized.

## Program Review Form

### Purpose

The purpose of this form is to outline the required format for all follow-up reports for proposals awarded funding from the National Programs Fund. This form should be submitted no more than 30 business days after the conclusion of the program. ***Failure to submit this form will forfeit the chapter's right to future submissions to the National Programs Fund.*** This form is only available for submission through IMPak.
