

REGION III PROFESSIONALS

September 2015

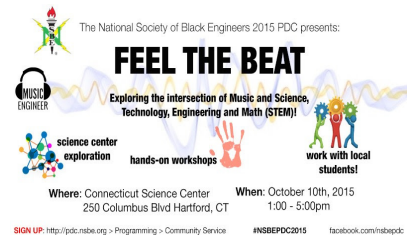

SAVE THE DATE for the First Region III Professionals Town Hall Meeting!

On Oct. 1 @ 8 p.m. EST, we will have our first Town Hall Meeting for the year. During this meeting, the R3 chair will discuss the goals for R3 this year and participate in a Q&A session. Please plan to call in. Conference dial-in number: [712-775-7035](tel:712-775-7035); access code: 204341#

FEEL THE BEAT!

The Community Impact Project at NSBE's Professional Development Conference (PDC) is a one-day event designed to engage underrepresented students (grades 6–9) in the STEM fields. The students will be exposed to positive role models and participate in fun, hands-on activities to build their STEM knowledge and skills. If you are interested in volunteering, or signing-up students, visit us [here!](#)

NSBE CKY Professionals Presents 'Engineering in the Park'

NSBE Central Kentucky Professionals held its Second

Annual Engineering in the Park (EITP) event on Aug. 22, 2014 The event included 10 STEM demonstrations, ranging from an egg drop to exploding lunch bags. Special thanks to our six partners and more than 50 attendees. For the full article and photos, visit the link [here](#).

Alabama Professionals Future Engineers of America Kickoff

The kickoff meeting for Alabama Professionals Future Engineers of America (FEA) program was held on Sept. 13. In this program, students were exposed to different aspects of the engineering profession through monthly interactive sessions.
