2019-2020 Region IV Chairperson
Overview

- NSBE Mission
- Organizational Structure
- Leadership Demographics
- NSBE Facts
- Governing Documents
NSBE Mission

“To increase the number of culturally responsible black engineers who excel academically, succeed professionally and positively impact the community.”
NSBE Core Values

Develop the skills necessary to become high-performing engineering students and professionals.

Present opportunities in engineering to a diverse cross-section of the black populace.

Create environments that nurture individual growth and collective success.

Seek a greater understanding of those we serve.

Groom the future leaders of society through training and executive-level experience.

#R4RLC | #NSBERLC
Leadership Demographics

- **National Executive Board (NEB)**
  - Slate of leaders who serve on the national level catering to the needs of the entire membership

- **Regional Executive Board (REB)**
  - Slate of leaders who serve on the regional level catering to the needs of chapter leaders and members from a select number of states

- **Chapter Executive Board (CEB)**
  - Slate of leaders who serve on the chapter levels catering to the needs of their individual chapter members
Leadership Demographic

- **Professional Executive Board (PEB)**
  - Working professionals and graduate students who majored in science, technology, engineering, and/or mathematics seek to fulfill NSBE's mission via avenues for networking and professional development while giving back to the community.

- **World Headquarters (WHQ)**
  - The WHQ staff manages the Society’s daily operations and provides for the continuity of its programs, and serves as a central point of contact for NSBE members and the general public. Staff activities are coordinated by the National Executive Director, who reports directly to the NEB.
NSBE Facts

The Basics

- NSBE was founded in 1975 at Purdue University
- First National Conference was held at Purdue University
- 48 Students in Attendance from 32 schools
- National Symbol chosen
- Draft of first constitution created
