III. **Fall Regional Conference Registration Rates:**

a. **Motion**

- There were some discrepancies in the revenue numbers, but they should now reflect what our goal is for the registration rates

<b>Region VI Executive Board 2018-2019</b>	<b>Wednesday, July 11th , 2018 Time: 8:00 PM PDT</b>	<b>Zoom Conference Call</b>
--	--	-----------------------------

- Context:
  - In the budget, the line item for registration revenue is \$20,000
  - Our goal is to reach at least 70% and we will be on track to the goal towards \$20,000
- On the back-end, the numbers are looking good

**b. Discussion**

Questions:

- Did we have 70% attendance the year before?
  - Yes. Registration exceeded expected
- Advisor and NSBE Jr rates; why are these rates higher for FRC than for RLC? Have rates been lower throughout categories?
  - RLC rates have historically been lower
  - We have never had NSBE Jr at RLC in the past
  - RLC is covered by us whereas for FRC, attendees are responsible for those accommodations
- Advisors and professional rates are consistent, and for this conference, it was increased. Why?
  - Professionals are providing more content for FRC and there is more professional presence
  - May have been a discrepancy

- **RLC**
    - We are in a state of emergency as we are less than 30 days into RLC registration
    - We need to communicate with membership because there are only 10 people who are registered as of now
    - Expect action items to be sent out by Nicolette so keep an eye out
  - Reach out to Nicolette, Janaye, Aitanna if you're having trouble communicating with the chapters in the zone they are in
  - Question regarding a prospective sponsors' question:
    - How many were the attendees from the past year Computer Science majors?
    - Would there be a way to know that?
    - Reach out to Naeem for information
- V. Meeting adjourned: 07:02 PM PDT by Naeem-Turner-Bande**
