American Ceramic Society Scholarship

The mission of The American Ceramic Society (ACerS) is to advance the study, understanding, and use of ceramics and related materials, for the benefit of our members and society. More than 10,000 scientists, engineers, researchers, manufacturers, plant personnel, educators, students, marketing and sales professionals from more than 70 countries make up the members of The American Ceramic Society.

The Ceramic and Glass Industry Foundation (CGIF) was established by ACerS in 2014 to attract, inspire, and train the next generation of ceramic and glass professionals.
